

## TROLLEY SERVICE TO COWBOYS STADIUM JULY 2009 – JANUARY 2010

### **SPECIAL EVENT SERVICE**

The Trolley District provides route-based trolley service to Arlington's new Cowboys Stadium for all NFL and Division 1 college football games and certain other events. Listed below are the Stadium events with Special Event Service.

**NOTE:** SPECIAL EVENT SERVICE IS AVAILABLE ON A PRE-TICKETED, RESERVATION BASIS ONLY—i.e., a Special Event Pass is required. A limited number of Special Event Passes will be available for each event, obtainable from the passenger/guest's hotel. Because of limits on the passenger capacity of the trolley system, not all hotel guests will be able to obtain Special Event Passes. Hotel guests planning to use our Special Event Service should consult the hotel concerning the availability of Special Event passes when making room reservations.

Special Event Service typically will commence three hours before the event but may vary by event. The Special Event Pass will designate the required hotel departure time for the guest bearing the pass.

### **STADIUM TOUR SERVICE**

On days when there is no stadium event but route service is scheduled to Six Flags, (see Six Flags/Hurricane Harbor), there is regular route service to the stadium during stadium tour operating hours. Tell the trolley driver on boarding that you want to go to the Stadium; the driver will give instructions for service to the stadium. A route transfer may be required.

The service schedule is subject to change as the Cowboys add to or revise their stadium event schedule. As of this date, the scheduled trolley service dates for Special Events are:
