

TROLLEY SERVICE TO SIX FLAGS/HURRICANE HARBOR 2009

The Trolley District provides route-based trolley service to Six Flags over Texas and Hurricane Harbor on every day of each park's regular season, commencing service one-half hour before park opening and continuing until park closing. For service information to other attractions, see Texas Rangers, Cowboy Stadium, or Convention Center.

NOTE: The announced trolley service start time is the time of departure from the hotel on each route most distant from the park or attraction served. For exact hotel departure times, consult the schedule at the hotel.

The service schedule is subject to change as the attractions add to or revise their Six Flags or Hurricane Harbor schedules.
