

## TROLLEY SERVICE TO ATTRACTIONS AND EVENTS - 2009

The Trolley District provides route-based trolley service to the Texas Rangers Ballpark in Arlington for each home game of the Rangers' season, commencing one and one-half hours before the game starting time with return to hotels immediately following the game. For service information to other attractions, see Six Flags/Hurricane Harbor, Dallas Cowboys Stadium, or Convention Center.

NOTE: The announced trolley service start time is the time of departure from the hotel on each route most distant from the park or attraction served. For exact hotel departure times, consult the schedule at the hotel.

The service schedule is subject to change as the several attractions add to or revise their Six Flags schedules.
